Charter School 2

2024-2025 Chromebook Request Form

Renaissance 2 strives to provide Chromebooks to those families who indicate a need for a device to help students engage in remote learning during an emergency or to complete homework.

If you have requested a chromebook for your child, please fill out the form below and have your child return it to school. We have a limited number of units to distribute at this time. You must also fill out a Digital Equity Survey to be considered for this loan. This survey can be completed on your child's PowerSchool account or over the phone by calling the main office at (917) 242-3505.
