Dear Incoming 5th Graders,

Welcome to 5th grade! We are thrilled to have each and every one of you in our class next year. This is going to be an exciting year filled with new adventures, challenges, and opportunities for growth.

In 5th grade, we will dive into fascinating subjects like Science, Math, Reading, Mandarin and Social Studies. You will explore new topics, engage in hands-on projects, and develop skills that will help you become more independent and confident learners. We can't wait to see your creativity and enthusiasm shine through in everything you do.

One of the most important things to remember is that our classroom is a community. We will work together, support each other, and celebrate our successes. It's a place where everyone's ideas are valued and respected, and where we learn from our mistakes to become better every day.

There will be many fun activities and opportunities for you to get involved, both inside and outside the classroom. From class projects and group activities to field trips and special events, there's always something exciting happening in 5th grade.

As we prepare for the new school year, here are a few things to keep in mind:

- **Be curious:** Ask questions, explore new ideas, and be eager to learn.
- **Be respectful:** Treat your classmates, teachers, and school with kindness and respect.
- **Be responsible:** Take ownership of your learning and your actions.
- **Be yourself:** Everyone is unique and has something special to offer. Be proud of who you are!

We are looking forward to meeting each of you and getting to know more about your interests and talents. Together, we will make this school year an unforgettable and rewarding experience.

Enjoy your summer break, and come back ready for an amazing year in 5th grade! 😊

Sincerely,
The Fifth Grade Team
