Independent Auditor's Report

To the Board of Trustees of
The Renaissance Charter School

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Renaissance Charter School (the "School"), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the School as of June 30, 2025, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States ("*Government Auditing Standards*"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the School's 2024 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 29, 2024. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2024 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2025, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 1 - Nature of the Organization

The Renaissance Charter School (the "School") is a PK-12 public charter school located in Jackson Heights, Queens, New York. The School's mission is to foster educated, responsible young leaders who through their own personal growth will spark a renaissance in New York. The School is a publicly funded, privately managed school, which is independent of the New York City Department of Education ("NYCDOE"), and subject to certain administrative requirements. The School was originally granted its charter in May 2000 and its most recent charter renewal expires on June 30, 2029.

The School has the following programs:

- Regular Education - Instruction provided to students from kindergarten through 12th grade.
- Special Education - Instruction that is specially designed to meet the unique needs of students with disabilities.
- Pre-Kindergarten - Instruction provided to children who are four years of age on or before December 1st of the school year.
- Food Program - Students receive breakfast served in the classroom, a hot lunch served either in the classroom or in the School's cafeteria, and a cold supper-to-go, free of charge. Meals are prepared in the School's kitchen by its food service staff.

The School has been notified by the Internal Revenue Service that it is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. They have not been designated as a private foundation. The School's main sources of revenue are public school district revenue and government grants.

In June 2017, Renaissance Charter School 2 ("TRCS 2"), a charter school developed to replicate the learning experience of the School, was approved by the New York State Education Department ("NYSED") to operate in New York State. TRCS 2 opened in the Fall of 2020 and is related to the School by virtue of some common board members and a memorandum of understanding; whereby, the School provides support and guidance through shared staff. TRCS 2 does not meet the requirements for consolidation because the School does not have control over them.

Note 2 - Summary of Significant Accounting Policies

a. Basis of Accounting and Presentation

The financial statements have been prepared using the accrual basis of accounting, which is the process of recognizing revenue and expenses when earned or incurred rather than received or paid.

The financial statements are presented in accordance with the provisions of the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") 958 *Presentation of Financial Statements of Not-For-Profit Entities*. FASB ASC 958 requires the School to report information regarding its financial position and activities according to the following specific classes of net assets:

- *Net Assets without Donor Restrictions* - represents all activity without donor-imposed restrictions.
- *Net Assets with Donor Restrictions* - represents those resources, the uses of which have been restricted by donors to specific purposes or the passage of time and/or must remain intact, in perpetuity. The release from restrictions results from the satisfaction of the restricted purposes specified by the donor.

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 2 - Summary of Significant Accounting Policies - Continued

b. Revenue Recognition

The School follows the requirements of FASB's ASC 958-605 for recording contributions, which are recognized when a contribution becomes unconditional in nature. Contributions are recorded in the net asset classes referred to above depending on the existence and/or nature of any donor-imposed restriction. When a restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. If donor restricted contributions are satisfied in the same period they were received, they are classified as without donor restrictions.

The School evaluates whether contributions are conditional or unconditional. Contributions are considered to be conditional when both a barrier must be overcome for the School to be entitled to the revenue and a right of return of the asset or right of release from the obligation exists. During the years ended June 30, 2025 and 2024, the School received conditional contributions of \$468,800 and \$525,000, respectively, that were contingent on the School running the summer learning program during the years ended June 30, 2025 and 2024. As of June 30, 2025 and 2024, the condition was met, and revenue was recognized for the years then ended.

Conditional contributions and grants that have not been recognized amounted to \$860,000 and \$586,000 and at June 30, 2025 and 2024, respectively. The contributions and grants are conditional upon achieving certain performance goals and incurring qualifying expenditures.

The School's public school district revenue and other government grants are primarily conditional, non-exchange transactions and fall under FASB ASC 958-605. Revenue from these transactions is recognized based on rates established by the School's funding sources and when performance related outcomes are achieved, or qualifying expenditures are incurred as well as other conditions under the agreements are met. Revenue recognized in advance of payments being received are recorded as a government grant receivable. Payments received in advance of conditions being met are recorded as government grant advances.

Contributions and grants expected to be received within one year are recorded at net realizable value. Long-term pledges are recorded at fair value using a risk adjusted discount rate. As of June 30, 2025 and 2024, all unconditional promises to give are due within one year. Pledges are reviewed for collectability. Based on knowledge of specific donors and factoring in historical experience, no allowance for doubtful accounts exists as of June 30, 2025 or June 30, 2024.

The School also follows the requirements of FASB ASC 606 for recognizing revenue from contracts with customers. The School receives a management fee from TRCS 2 in exchange for providing certain staff time and other operating support to TRCS 2. This is classified as management fee income and recognized as revenue at the point in time that the services are provided, and the performance obligation is met. Management fees that have been earned but not paid at year end are recognized as income and a related receivable.

c. Cash and Cash Equivalents

Checking and money market accounts with local banks and highly liquid financial instruments purchased with a maturity of three months or less are considered to be cash and cash equivalents for purposes of the accompanying statements of financial position and cash flows. Cash maintained in escrow per requirements of the NYCDOE are treated as restricted cash.

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 2 - Summary of Significant Accounting Policies - Continued

d. Concentration of Credit Risk

Financial instruments which potentially subject the School to a concentration of credit risk consist of checking, savings, money market accounts, and investment securities which have been placed with financial institutions that management deems to be creditworthy. The School has not suffered any losses due to bank failure.

e. Property and Equipment

Property and equipment that the School retains title to that exceed a dollar threshold of \$3,000, and which benefit future periods are capitalized at cost or at the fair value at the date of gift, if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets as follows:

Furniture and equipment - 3 to 10 years
Building improvements - 10 years

f. In-kind Contributions

The School's operations are located in a facility provided by the NYCDOE at no charge. The School utilizes approximately 62,000 square feet and recognizes in-kind contribution revenue and a corresponding expense in an amount approximating the estimated fair value at the time of the donation. Fair value is estimated using the average price per square foot of rental listings in the School's service area. The total amount recognized for donated facilities is \$3,100,000 for both years ended June 30, 2025 and 2024.

Allocations for the donated facility are as follows:

	June, 30	
	2025	2024
Program	\$ 2,766,587	\$ 2,803,522
Management and General	330,852	293,371
Fundraising	2,561	3,107
Total	<u>\$ 3,100,000</u>	<u>\$ 3,100,000</u>

Board members and other individuals volunteer their time and perform a variety of services that assists the School. These services do not meet the criteria of in-kind services and have not been recorded in the financial statements.

g. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the School.

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 2 - Summary of Significant Accounting Policies - Continued

g. Functional Allocation of Expenses - Continued

Salaries were allocated using time and effort as the basis. The following costs were allocated using the salary allocation as the basis:

- Payroll taxes and employee benefits
- Pension contributions
- Repairs and maintenance
- In-kind occupancy and facility costs
- Professional development
- Equipment and furnishings
- Office expenses
- Technology
- Insurance
- Depreciation

Certain program expenses have been allocated between Regular Education and Special Education based on student Full Time Equivalent (“FTE”) rates. All other expenses have been charged directly to the applicable program or supporting services.

h. Management Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

i. Contingencies

Government contracts are subject to audit by the grantor. Management does not believe that any audits, if they were to occur, would result in material disallowed costs, and has not established any reserves. Any disallowed costs would be recorded in the period notified.

In the normal course of business, the School is involved in proceedings, lawsuits, and other claims. These matters are subject to many uncertainties, and outcomes are not predictable with a high degree of assurance. Consequently, the ultimate aggregate amount of monetary liability or financial impact with respect to these matters as of June 30, 2025 and 2024 cannot be ascertained. Management believes that the final outcome of these matters will not have a material impact on the financial statements of the School.

j. Accounting for Uncertainty of Income Taxes

The School does not believe its financial statements include any material, uncertain tax positions. Tax filings for periods ending June 30, 2022 and later are subject to examination by applicable taxing authorities.

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 2 - Summary of Significant Accounting Policies - Continued

k. Summarized Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2024 from which the summarized information was derived.

Note 3 - Property and Equipment

Property and equipment consists of:

	June 30,	
	2025	2024
Furniture and equipment	\$ 1,178,315	\$ 1,255,764
Building improvements	487,889	487,889
	<u>1,666,204</u>	<u>1,743,653</u>
Less: accumulated depreciation	(1,413,845)	(1,389,765)
Total property and equipment, net	<u>\$ 252,359</u>	<u>\$ 353,888</u>

Note 4 - Restricted Cash

An escrow account has been established to meet the requirement of the NYCDOE. The purpose of this account is to ensure sufficient funds are available for an orderly dissolution or transition process in the event of termination of the charter or school closure.

Note 5 - Due To Related Organization

The School has an ongoing support agreement with TRCS 2, the related organization described in Note 1. As part of the agreement, the School receives a management fee in exchange for providing certain staff time and other operating support to TRCS 2.

The net balance due to TRCS 2 at June 30, 2025 and 2024 consists of the following:

	June 30,	
	2025	2024
Beginning balance due to TRCS 2	\$ 227,044	\$ 171,028
Management fee charged to TRCS 2	(462,818)	(276,865)
Reimbursable expenses paid by the School	(63,229)	(69,022)
Grants to TRCS 2 collected by the School	832,025	572,931
Payments by the School to TRCS 2	<u>(227,044)</u>	<u>(171,028)</u>
Ending balance due to TRCS 2	<u>\$ 305,978</u>	<u>\$ 227,044</u>

The Renaissance Charter School

Notes to Financial Statements

June 30, 2025

Note 6 - Significant Concentrations

The School is dependent upon grants from the NYCDOE to carry out its operations. Approximately 63% and 67% of the School's total public support and revenue was received from the NYCDOE for the years ended June 30, 2025 and 2024, respectively. If the NYCDOE were to discontinue funding, this would have a severe economic impact on the School's ability to operate.

Note 7 - Multi-Employer Benefit Plan

The School participates in two multi-employer benefit plans ("MEPP") that provide defined benefits to certain contract labor covered by collective bargaining agreements ("CBA"). As one of many participating employers in these MEPPs, the School may be responsible with the other participating employers for any plan underfunding. The School's contributions to a particular MEPP are established by the applicable CBAs; however, its required contributions may increase based on the funded status of the MEPP and the legal requirements of the Pension Protection Act of 2006 (the "PPA"), which requires substantially underfunded MEPPs to implement a funding improvement plan ("FIP") or a rehabilitation plan ("RP") to improve their funded status. Factors that could impact the funded status of the MEPP include, without limitation, investment performance, changes in the participant demographics, decline in the number of contributing employers, changes in actuarial assumptions, and the utilization of extended amortization provisions.

In the event of the termination of a MEPP or if the School were to withdraw from a MEPP, under current law, the School would have material liabilities for its share of the unfunded vested liabilities of each such plan. The School has not received notification of any plan termination, and the School does not currently intend to withdraw from these plans. Therefore, the School believes the occurrence of events that would require recognition of liabilities for its share of unfunded vested benefits is remote.

The School contributed a total of \$1,261,609 and \$1,332,929 to both plans during the years ended June 30, 2025 and 2024, respectively. The School's participation in these plans for the annual period ended June 30, 2025 is outlined below. The "EIN" column provides the Employer Identification Number ("EIN") of the plan. The PPA zone status is not applicable because they are government plans.

The Teachers' Retirement System of the City of New York Pension Plan as of June 30, 2025 consisted of the following:

<u>EIN</u>	<u>Plan End Date</u>	<u>PPA Zone Status</u>	<u>Collective Bargaining Expiration Date</u>	<u>Contributions</u>
90-0584726	6/30/25	N/A	11/28/27	<u>\$ 1,260,501</u>

As of the most current report on file with the City of New York's Office of the Actuary, which is for the fiscal year ending June 30, 2024, the net position restricted for benefits were \$74,488,389,000 and the accumulated benefit obligations were \$86,909,914,000, which results in the plan being 86% funded. The School's employer contributions are less than 5% of the total plan's employer contributions of \$3,161,752,000 for the year ended June 30, 2024.

Note 7 - Multi-Employer Benefit Plan - Continued

The Board of Education Retirement System Pension Plan as of June 30, 2025 consists of the following:

<u>EIN</u>	<u>Plan End Date</u>	<u>PPA Zone Status</u>	<u>Collective Bargaining Expiration Date</u>	<u>Contributions</u>
13-6400434	6/30/25	N/A	Various	<u>\$ 1,108</u>

As of the most current report on file with the City of New York's Office of the Actuary, which is for the fiscal year ending June 30, 2024, the net position restricted for benefits were \$6,848,121,000 and the accumulated benefit obligations were \$7,028,577,000, which results in the plan being 97% funded. The School's employer contributions are less than 5% of the total plan's employer contributions of \$247,721,000 for the year ended June 30, 2024.

Note 8 - Liquidity and Availability of Financial Resources

The School strives to maintain cash on hand to be available for its general expenditures, liabilities, and other obligations for on-going operations. As part of its liquidity management, the School operates its programs within a board-approved budget and relies primarily on per pupil funding and grants to fund its operations and program activities. At June 30, 2025, the School's financial assets available to meet cash needs for general expenditures within one year totaled \$6,797,850 which consist of cash and cash equivalents of \$6,332,854 and government grants receivable of \$464,996.

Note 9 - Subsequent Events

Subsequent events have been evaluated through October 28, 2025, the date the financial statements were available to be issued. There were no material events that have occurred that require adjustment to or disclosure to the financial statements.

Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Independent Auditor's Report

To the Board of Trustees of
The Renaissance Charter School

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Renaissance Charter School (the "School"), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, functional expenses, and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated October 28, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
