2020-2021 Annual Report

Entry 1 School Info and Cover Page

Completed - Oct 6 2021

Instructions

Required of ALL Charter Schools

Each Annual Report begins with a completed School Information and Cover Page. The information is collected in a survey format within Annual Report portal. When entering information in the portal, some of the following items may not appear, depending on your authorizer and/or your responses to related items.

Entry 1 School Information and Cover Page

(New schools that were not open for instruction for the 2020-2021 school year are not required to complete or submit an annual report this year).

Please be advised that you will need to complete this cover page (including signatures) before all of the other tasks assigned to you by your school's authorizer are visible on your task page. While completing this cover page task, please ensure that you select the correct authorizer (as of June 30, 2021) or you may not be assigned the correct tasks.

f. APPROVED SCHOOL MISSION (Regents, NYCDOE, and Buffalo BOE authorized schools only)

MISSION STATEMENT

The Renaissance Charter School 2 (TRCS 2) is based on the conviction that a change in the destiny of a single individual can lead to a change in the destiny of a community, nation, and ultimately humankind. Its mission as a K-12 school is to provide a comprehensive academic program aligned with the New York State (NYS) learning standards that fosters educated, responsible, humanistic young leaders who will, through their own educational development and personal growth, spark a renaissance in New York City and beyond. Its graduates will be global citizens with an abiding respect for peace, human rights, the environment, and sustainable development.

g. KEY DESIGN ELEMENTS (Regents, NYCDOE, and Buffalo BOE authorized schools only)

KEY DESIGN ELEMENTS (Briefly describe each Key Design Elements (KDE) as presented in the schools approved charter. KDEs are those general aspects of the school that are innovative or unique to the school’s mission and goals, are core to the school’s overall design, and are critical to its success.

<table>
<thead>
<tr>
<th>KDE</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>KDE 1</td>
<td>A strong, comprehensive and proven NYS CCLS-aligned academic program. TRCS 2 has adopted the TRCS curriculum and assessment program, which comprises an integrated set of formal instructional programs (e.g. Reading and Writing Workshop), commercial curricula (e.g. Junior Great Books and Singapore Math), “home-grown,” teacher-developed curricula drawing heavily on the materials and resources of EngageNY and a wide range of assessments to assess growth in early literacy and attainment of CCLS benchmarks. The academic program will also include project-based and experiential learning experiences and non-traditional student-centered learning experiences.</td>
</tr>
<tr>
<td>KDE 2</td>
<td>A Student-centered approach—A critical part of TRCS 2’s mission is to “foster educated, responsible, humanistic young leaders who will be global citizens and leaders in the renaissance of NYC and beyond.” In order to do</td>
</tr>
</tbody>
</table>
this, TRCS 2 will provide students with instruction and supports that address their respective academic needs, interests and learning styles. Such a student-centered approach to instruction will support all students, and especially ELLs, SWDs and other students with unique needs. TRCS 2 will establish a school-wide data culture to support teachers and administrators in using data to identify student needs and to provide targeted and differentiated instruction to address them. TRCS 2 will provide training and support to teachers working collaboratively to analyze student data and differentiate instruction. In addition, TRCS 2 will utilize strategies and practices that have been effective in promoting student academic growth at TRCS including a data-driven Advisory Program (to be established in MS and HS) that will provide personalized support to each student and The Learning Center (to be established in MS and HS), which will provide both short-term and long-term assistance to students during and after the school day.

KDE 3

A commitment to project-based and experiential learning. TRCS 2 will embed project-based and experiential learning throughout its curriculum and multidisciplinary project-based learning is emphasized at all grade levels. Experiential learning will be implemented through a variety of methods, including community service learning experiences and curriculum-embedded trips and special events such as: a) field trips to museums, theaters, art galleries and films; b) school organized college visits; c) art, music, dance and drama exhibitions; talent shows; and d) multicultural celebrations.

TRCS 2 will also replicate one of TRCS’ most important and innovative experiential learning initiatives—i.e. the groundbreaking Rensizzle Week program. During Rensizzle Week, regular classes are suspended and each
student engages in an in-depth exploration of one subject of his or her choosing, working in mixed-grade groupings and engaging in authentic, hands-on learning experiences. Most Rensizzle Week activities will result in individual or collective presentations by students reflecting not only what they’ve learned but also their feelings, opinions and deeper understandings about what they’ve learned.

**KDE 4**

Extensive student academic and social-emotional development supports. TRCS 2 will support at-risk students through an extensive array of services and resources, including The Learning Center (TLC) (to be established in MS and HS), which will provide both short-term and long-term assistance to students during and after the school day. TLC will provide opportunities for remediation and acceleration using a personalized, “managed care” approach for students who need remedial help or wish to accelerate or enrich their studies. Also, TRCS 2 will have an Instructional Support Team that regularly monitors the progress of at-risk students and makes specific recommendations to help them succeed and an Advisory Program that will provide a ‘safe space” where advisors can: a) monitor each student’s progress towards achieving academic growth goals, help identify areas of need or challenge and support each student’s academic growth b) support each student’s social-emotional development; and c) promote community service and experiential learning through Advisory-developed projects.

**KDE 5**

A culture of collaboration. At TRCS 2, collaboration will be embedded in every aspect of the school program. Decision-making about governance will be shared by the Board and a Collaborative School Governance Committee (CSGC) comprised of representatives of all school constituencies,
including the Principal; teachers and other instructional staff; parents and students. Also, all stakeholder groups will collaborate in developing, evaluating and frequently updating the school’s Comprehensive Education Plan (CEP). Academic and operational decisions will be made by a School Management Team comprised of the Principal and other school leaders. Teachers will work collaboratively in Professional Learning Communities (PLCs) and family input will be facilitated by the CSGC, a strong Parent Teacher Association and an active student government. Also, TRCS 2 will collaborate with its partner, TRCS, as it replicates the TRCS model.

| KDE 6 | A commitment to college preparation and career readiness. TRCS 2 will mandate student participation in a college-bound program starting in 5th and 6th grades with trips to colleges and similar college and career readiness preparation activities, and will continue as the school grows into a high school program to include a for-credit class in high school grades. In the first charter term, TRCS 2 will prepare elementary and middle-grade students to ultimately engage in a high school college and career readiness preparation program at TRCS 2 in which students chart a portfolio-based four-year plan and a scaffolded college-bound curriculum that guides students in exploring their values, social and academic interests, career options, college choices and post-secondary college programs. |

| KDE 7 | Extensive teacher professional development. TRCS 2 will provide professional development to all teachers, ranging from a summer professional development institute and training provided by consultants to shadowing, mentoring and other embedded professional development. Professional development will also be done in PLCs, where teachers engage in reflective protocol-driven dialogue about instruction, assessment and improving school programs. |

| KDE 8 | Partnerships. TRCS 2 will be a “community school” that welcomes, supports and partners with |
parents, families and individuals and organizations from the community. TRCS 2 will work with the Chief Development Officer to identify strategic partnerships from among the more than 50 partner organizations and agencies that TRCS has successfully utilized in the last charter term alone. TRCS 2 will be proactive in developing experiential learning opportunities for students in collaboration with businesses, cultural organizations and other partners.

The Renaissance Charter School 2 (TRCS2) actively seeks to recruit students with disabilities, English Language Learners and students who come from households qualifying for free and reduced meals.

In response to lottery applicants and a high demand for in-person learning for students in SY 2020-2021. Recruitment of our special populations has been an on-going, every day responsibility beginning in the Spring of 2020. The Renaissance Charter School 2 (TRCS) has adopted the best practice guidelines established by NYSEDCSO in its recruitment of special populations, including economically disadvantaged students. We have developed a reputation in the community for caring for and supporting special populations, with a staff that is dedicated to actively engage families and students of all ethnicities, socioeconomic levels, and who represent multi-cultural and multi-linguistic backgrounds. The school also has 2 social worker interns to support all students, including our special needs students. Our teaching model also embraces Integrative Collaborative Teaching in grade-level high-needs classrooms. We create a timeline for open houses, outreach and admissions each year, and held virtual open houses in 2020 and 2021, to support enrollment SY 2020 and SY 2021. They were very well attended.

TRCS 2 anticipates that we will exceed our SY 2020-2021 ELL population of 19% in SY 2021-2022. We have taken the following steps to meet this need: TRCS 2 has appointed a highly qualified Director of Special Populations added a highly qualified certified ELL teacher to its staff for SY 2021-2022 and created school wide programming and staffing that supports English Language Learners; including family conferences that are culturally sensitive. We are conducting in-person Home Language Survey follow-up interviews with families throughout this summer (2021).

- Partnership with the ELL Consortium at the NYC Charter Schools Center.
- Specialized support for ELL students both in subject classes and in selective “pull-outs”
- Small Group tutoring and extensive, individualized academic check-ins
- Parent Representatives from various backgrounds participate in our Parent Association.
- Many bilingual teachers and support staff who work in the office, who support parents in communicating with the school.

The Renaissance Charter School 2 (TRCS2) actively seeks to recruit students with disabilities, English Language Learners and students who come from households qualifying for free and reduced meals.

In response to lottery applicants and high demand for in-person learning for students in SY 2020-21. Recruitment of our special populations has been an ongoing, every day responsibility beginning in the Spring of 2020.

The Renaissance Charter School 2 (TRCS) has adopted the best practice guidelines established by NYSEDCSO in its recruitment of students with disabilities. Due to this and ongoing efforts to recruit and retain students with disabilities, our percentage of kindergarten and first grade students with disabilities or students with IEPs is 19% of our total enrollment for SY 2020-2021.

We have developed a reputation in the community for caring for and supporting special populations, with a staff that is dedicated to actively engage families and students of all ethnicities, socioeconomic levels, and who represent multi-cultural and multi-linguistic backgrounds. The school also has 2 social worker interns to support all students, including our special needs students. Our teaching model also embraces Integrative Collaborative Teaching in grade-level high-needs classrooms.

We create a timeline for open houses, outreach and admissions each year, and held virtual open houses in 2020 and 2021, to support enrollment SY 2020 and SY 2021. They were very well attended.

Translation is available at our open houses. This school year we had several virtual open houses during the COVID shut-down. We continued to respond to inquiries and made outreach through virtual parent meetings, postings on neighborhood list-serves, newspapers, and through personal outreach by staff.

TRCS 2 anticipates that we will exceed our SY 2020-2021 population of 19% students with disabilities or IEPs in SY 2021-2022. TRCS 2 fills every available seat, without screening. Our recruitment materials include detailed information on how we support our students with special needs.

We have taken the following steps to meet this need: TRCS 2 has appointed a highly qualified Director of Special Populations and created grade-level ICT classes with two highly qualified certified teachers for SY 2021-2022 and created school wide

programming and staffing that supports students with disabilities; including family conferences that are culturally sensitive. We are conducting ongoing outreach to families of students with disabilities throughout this summer (2021) to ensure that their needs are met and that their services are in place for SY 2021-2022.

School wide programming and staffing that supports Special Needs Students and English Language Learners with IEPs, for in-person and remote learning (if necessary):

• ICT, Related Services, School-based social worker, and social worker interns;
• Grade K-2 Reading Remediation and Support including LLI, Orton-Gillingham and Wilson Reading;
• the K-2 Targeted Reading Intervention Program (TRIP) which gives targeted reading intervention a daily block of time for small reading groups based on levels.
• Partnership with the Achievement Network;
• Partnership with the SPED Collaborative;
• Utilizing our Writing Workshop Model to support our upper grade IEP students;
• Small Group tutoring;
Parents of students with special needs are represented on our Parent Association and are actively involved in collaborative decision making to meet the instructional needs of our students.

**Entry 10 - Teacher and Administrator Attrition**

**Completed** - Oct 6 2021

**Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation**
A. TEACH System - Employee Clearance

Charter schools must ensure that all prospective employees[1] receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, or related/contracted service providers. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

[1] Employees that must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers. See NYSED memorandum dated October 1, 2019 at http://www.p12.nysed.gov/psc/aboutcharterschools/lawsandregs/EmployeeFingerprintOct19.pdf or visit the NYSED website at: http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.
**B. Emergency Conditional Clearances**

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must simultaneously request clearance through NYSED TEACH, and the school’s emergency conditional clearance of the employee terminates **automatically** once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school’s emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee’s emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

INDEPENDENT AUDITOR’S REPORT

To the Board of Trustees of
The Renaissance Charter School 2

Report on the Financial Statements

We have audited the accompanying financial statements of The Renaissance Charter School 2 (the “School”), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows from inception through June 30, 2021, and the related notes to the financial statements.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Renaissance Charter School 2 as of June 30, 2021, and the changes in its net assets and its cash flows for the period from inception through June 30, 2021 in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 25, 2021 on our consideration of the School’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the School’s internal control over financial reporting and compliance.

Note 1 - Organization and Nature of Activities

The Renaissance Charter School 2 (the “School”), located in Queens, New York is a not-for-profit education corporation chartered by the Board of Regents of the State of New York, for and on behalf of the State Education Department.

The School is modeled after The Renaissance Charter School ("TRCS"), a public charter school located in Jackson Heights, Queens, New York. The School's mission as a planned Kindergarten to 12th grade school is to foster educated, responsible, humanistic young leaders who will through their own personal growth spark a renaissance in New York. The School’s first year of operations was the 2020-2021 fiscal year and they had an average enrollment of approximately 140 Kindergarten and 1st Grade students. The School is a publicly funded, privately managed school, which is independent of the New York City Department of Education ("NYCDOE"). The School was granted a provisional charter for a term up to and including June 2025. The financial statements reflect activity from inception through June 30, 2021.

The School has been notified by the Internal Revenue Service that it is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been reflected in the accompanying financial statements. They have not been designated as a private foundation.

The School is affiliated with TRCS by virtue of some common board members and a memorandum of understanding whereby TRCS provides support and guidance to the School through shared staff. TRCS does not meet the requirements for consolidation because the School does not exercise control over them.

Note 2 - Significant Accounting Policies

a. Basis of Accounting
The financial statements have been prepared using the accrual basis of accounting which is the process of recognizing revenue and expenses when earned or incurred rather when received or paid.

b. Basis of Presentation
Net assets are classified based upon the existence or absence of donor-imposed restrictions as follows:

- **Net Assets Without Donor Restrictions** – represents those resources for which there are no restrictions by donors as to their use.

- **Net Assets With Donor Restrictions** – represents those resources, the uses of which have been restricted by donors to specific purposes or the passage of time and/or must remain intact, in perpetuity. The release from restrictions results from the satisfaction of the restricted purposes specified by the donor. The School did not have any net assets with donor restrictions on June 30, 2021.
c. **Revenue Recognition**

The School follows the requirements of the Financial Accounting Standards Board’s ("FASB") Accounting Standards Update ("ASU") No. 2018-08 ("Topic 605") for recording contributions, which are recognized at the earlier of when cash is received or at the time a pledge becomes unconditional in nature.

Contributions are recorded in the net asset classes referred to above depending on the existence and/or nature of any donor-imposed restriction. When a restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. If donor restricted contributions are satisfied in the same period they were received, they are classified as without donor restrictions.

The School’s public-school district revenue and other government grants are primarily conditional, non-exchange transactions and fall under Topic 605. Revenue from these transactions is recognized when performance related outcomes are achieved and other conditions under the agreements are met.

The School records grants as revenue in the period they become unconditional. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Long-term pledges are recorded at fair value using an interest-free discount rate, when deemed material. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Contributions and grants that are due within one year are recorded at net realizable value. Long-term pledges are recorded at fair value, using risk-adjusted present value techniques. Receivables are reviewed for collectability. Based on knowledge of specific funders, no allowance for doubtful accounts exists as of June 30, 2021. Write-offs will be made directly to operations in the period the receivable is deemed to be uncollected.

d. **Cash and Cash Equivalents**

The School considers all liquid investments purchased with a maturity of three months or less to be cash and cash equivalents. The School follows ASU 2016-18, *Statement of Cash Flows (Topic 230): Restricted Cash*. This requires that restricted cash and cash equivalents be included as components of total cash and cash equivalents as presented on the statement of cash flows.

e. **Concentration of Credit Risk**

Financial instruments which potentially subject the School to concentration of credit risk consist of checking and money market accounts which have been placed with a financial institution that management deems to be creditworthy. At various times, cash balances may be in excess of insurance levels. At year end, there was a significant uninsured balance; however, the School has not experienced any losses from the default of any financial institution.
f. **Capitalization Policy**

Property and equipment that exceed $1,000 and have a useful life of greater than one year are capitalized at cost or at fair value at the date of gift.

Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets, as follows:

- Furniture and equipment – 5 to 10 years
- Building improvements – 15 years

g. **Donated Services**

Donated services are recognized in circumstances where those services create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased, if not provided in-kind.

Board members and other individuals volunteer their time and perform a variety of tasks that assist the School. These services do not meet the criteria outlined above and have not been recorded in the financial statements.

g. **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of the School.

Salaries were allocated using time and effort as the basis. The following costs were allocated using the salary allocation as the basis:

- Employee benefits and payroll taxes
- Rent expense
- Professional development
- Equipment and furnishings
- Office expenses
- Technology
- Insurance
- Depreciation

Certain program expenses have been allocated between Regular Education and Special Education based on student FTE rates. All other expenses have been charged directly to the applicable program or supporting services.

i. **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
j. **Contingencies**
   Government contracts are subject to audit by the grantor. Management does not believe that any audits, if they were to occur, would result in material disallowed costs, and has not established any reserves. Any disallowed costs would be recorded in the period notified.

k. **Accounting for Uncertainty in Income Taxes**
   The School does not believe its financial statements include any material, uncertain tax positions. Tax filings for periods ending June 30, 2018, the School’s initial filing, and later are subject to examination by applicable taxing authorities.

l. **New Accounting Pronouncement**
   FASB issued ASU No. 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which becomes effective for the June 30, 2022 year with early adoption permitted. This ASU focuses on improving transparency in the reporting of contributed nonfinancial assets and requires a separate line-item presentation on the statement of activities and additional disclosures.

   The School is in the process of evaluating the impact this standard will have on future financial statements.

**Note 3 - Grant Receivable – Per Pupil Funding**

Activity related to the contract with the NYCDOE can be summarized as follows:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Funding based on allowable FTE’s</td>
<td>$2,374,117</td>
</tr>
<tr>
<td>Advances received</td>
<td>(2,368,375)</td>
</tr>
<tr>
<td>Ending receivable</td>
<td>$5,742</td>
</tr>
</tbody>
</table>

In addition to per pupil funding, the School was entitled to receive a rent subsidy, that is calculated at the lower of 30 percent of the per pupil amount or actual lease costs. During the year ended June 30, 2021, the amount of rent subsidy recognized for the School’s space was $674,506 based on the per pupil cap.

**Note 4 - Related Party Transactions**

The School has an ongoing support agreement with TRCS, the related organization described in Note 1. As part of the agreement, the School pays a management fee in exchange for receiving certain staff time and other operating support from TRCS.

The net balance due from TRCS to the School as of June 30, 2021 consists of the following:

<table>
<thead>
<tr>

Note 5 - Restricted Cash

An escrow account has been established to meet the requirement of the charter agreement. The purpose of this account is to ensure sufficient funds are available for an orderly dissolution or transition process in the event of termination of the charter or school closure.

Note 6 - Fixed Assets

Fixed assets can be summarized as follows:

<table>
<thead>
<tr>
<th>Asset Description</th>

<td>$(56,096)</td>
</tr>
<tr>
<td>Total fixed assets - net</td>
<td>$331,588</td>
</tr>
</tbody>
</table>

Note 7 - Commitments

The School has a non-cancelable lease agreement for its temporary incubation space that expires on June 30, 2022 with an option to extend for one more year.

In addition, the School entered into a sublease agreement for a long-term space that will commence on July 1, 2022 or July 1, 2023 with a term of 31 years. The School expects this lease to commence on July 1, 2022 and end on June 30, 2053. This sublease agreement includes rental payments based on the School’s per pupil funding and enrollment with a minimum rent floor each year.

Future minimum rent payments under these agreements are as follows:

<table>

Note 8 - Significant Concentrations

The School is dependent upon grants from NYCDOE to carry out its operations. Approximately 70% of the School’s total public support and revenue was from NYCDOE from inception through June 30, 2021.

Note 9 - Liquidity and Availability of Financial Resources

The School strives to maintain cash on hand to be available for its general expenditures, liabilities, and other obligations for on-going operations. As part of its liquidity management, the School operates its programs within a board-approved budget and relies primarily on per pupil funding and grants to fund its operations and program activities.
At June 30, 2021, the School’s financial assets available to meet cash needs for general expenditures within one year totaled $323,747, which consist of cash and cash equivalents of $215,663 and government grants receivable of $108,084.

**Note 10 - Subsequent Events**

Subsequent events have been evaluated through October 25, 2021, the date the financial statements were issued. The School has concluded that no other material events have occurred that are not accounted for in the accompanying financial statements or disclosed in the accompanying notes.

**Note 11 - Other Matters**

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 10, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an impact on the economies and financial markets of many countries, including the geographical area in which the School operates. As of the date of the financial statements, many of the travel restrictions and stay at home orders have been lifted, however, supply chains remain impacted. Management continues to monitor the outbreak, however, as of the date of these financial statements, the potential impact cannot be quantified.
INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Independent Auditor’s Report

To the Board of Trustees of
The Renaissance Charter School 2

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of The Renaissance Charter School 2 (the “School”), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the period from inception through June 30, 2021, and the related notes to the financial statements, and have issued our report thereon dated October 25, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School’s internal control. Accordingly, we do not express an opinion on the effectiveness of the School’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

1. Meeting convened
2. Chairperson’s Welcome
3. Roll Call - 1 min
   a. Board Members present: Monte Joffee, Liz Perez, Chester Hicks, Victor Motta, John Harrison York
   b. Board Members absent: Rachel Mandel, Conor McCoy
   c. Other attendees: Daniel Fanelli, Stacey Gauthier, Everett Boyd.
4. Approval of June Meeting Minutes - 5 mins
   a. Approved by acclamation
5. Open House and Staffing Update - Everett - 5 mins
   a. On June 18 Ren2 had its first open house on Zoom. There were around 105 participants, 83 families. New staff members were introduced. Questions about the fall. Reassured parents that the environment would be inviting, and geared toward the success of all students. K-1 teachers present, first grade, yoga, art teachers there. Spoke about curriculum and programs.
   b. Hiring:
      i. Jessica hired an office assistant (who interpreted the open house in Spanish).
      ii. Four lead teachers and one Mandarin teacher have been hired
      iii. Three teaching assistants have been hired.
      iv. Flo and Everett are still conducting interviews.
c. Discussion of students returning to building (recommendation by Pediatric Association). No guidance yet on what that would look like.

6. Report on Student Enrollment and Recruitment - Jessica Kim - 3 mins
   a. Currently have 103 K students and 43 1st grade students. Billed for 144 last month.
   b. Two budget scenarios (125 and 162). One way we might get to the higher number is that families are leaving private/parochial schools.

7. Facilities Update – Dan Fanelli – 3 mins
   a. Main site (new building): We have been working, along with Barone, on the BSA approval so they can build the school at that site, and that came in last week. Next step is that Barone will secure financing for the building. They are working on getting the Department of Buildings to sign off on their construction designs, and that should happen next week.
   b. Martin Luther--front door for the new entry went in last week. Electronic maglock door. Construction starting next week on 3rd floor. Just got confirmation today that our internet is up and running. Furniture has been ordered; worked with Maria from Dimensions to get great pricing on materials. Company that is delivering the furniture will bring it up to the 3rd floor, unpack it, and remove the trash.
   c. Nurses--big movement to say that every school needs a nurse. Concern that they might say we need to get our own nurse. Precedent is that no new schools are able to use the DOE’s food service. We don’t have to worry about that since Ren2 is with Ren1.

Meeting convened at 5:04 pm

1. Meeting convened

2. Chairperson’s Welcome - 2 mins

3. Roll Call - 1 min
   a. Board Members present: Monte Joffe, Liz Perez, Chester Hicks, Rachel Mandel, Victor Motta, John Harrison York
   b. Board Members absent: Conor McCoy
   c. Other members present: Stacey Gauthier, Flo Evans, Kathariya (TRCS 2 parent), Francine Smith

4. Approval of July Meeting Minutes - 5 mins - approved by acclamation.

5. Facilities Update - Flo Evans - 3 minutes. Flo discussed doors, air conditioning, nice-sized classrooms with lots of natural light. Everett will be visiting the facility tomorrow to take measurements and take a look at the nurse’s office.

6. Opening Plan for Board Approval - Flo Evans - 15 minutes - PowerPoint shared with parents at town hall yesterday. Context: all charter schools and districts required to submit school re-opening plans by July 31 to NYC Dept. of Health, authorizers gave extensions for other parts, but we were expected to submit plans before the governor shared his plan. Elements of plan:
   a. How do we meet our mission under these circumstances? Social-emotional program, Kickboard to help with understanding of what it means to be a trauma-informed school. Learning how to transform our school and fight racism and bias.
   b. High academic standards for each and every child.
   c. Power of team and working together. Parent workshops focusing on areas important to community. Teachers/administration to host 1x/week question and answer session.
d. Health and safety--developing plan to keep staff and students safe if we start as a hybrid model (e.g., staggered schedule, screening, social distancing, certain activities, such as singing, curtailed, wearing of masks, grab and go meals to take place outdoors or while distanced in classroom, state-of-the-art disinfecting nightly by custodial staff, dividing groups into pods, with teachers traveling between classrooms)

e. As of right now, offering two ways of learning: remote option and hybrid/blended learning. Parents have until August 7. Every 8 weeks, parents will decide which method they prefer. Siblings to be in the same pod to help with staggered schedule.

   i. Remote learning--all learning takes place at home on a device that accesses the internet. Live and recorded lessons, work sessions, group activities to support social-emotional learning.

   ii. Hybrid--mix of in-building and at-home learning. Each classroom up to 12 students, divided into pods, will attend school at least 5 times over two weeks. Schedule to be provided in advance each month.

   iii. Teachers will work with children in the building and at home simultaneously. Assignments to be posted to Google Classroom.

f. Plan for need to transition to all-remote plan also discussed. Sample schedule displayed. Everything that is live will be recorded to help with accessibility. Flexibility for families is key.

g. Motion to approve reopening plan, seconded. Votes to approve plan are as follows:

   i. Liz Perez - yes
   ii. Monte Joffe - yes
   iii. Chester Hicks - yes
   iv. Rachel Mandel - yes
   v. Victor Motta -yes
   vi. John Harrison York - yes

h. Parent attendee expressed appreciation for thoughtfulness of plan.

7. New Business - discussion of outreach to families of students to make sure that everyone is informed about the updated families. Working hard to get student supplies to the families. Continual parent engagement meetings to keep families informed. Teachers will be having virtual meetings with students and parents before school begins. Teachers have engaged in a 4-day responsive classroom workshop over the summer; this will align closely with the Kickboard program. PBIS, guided reading, benchmarking, and Kickboard training will happen before school starts. PBIS will help with social transition.

Stacey--discussion of partnership between TRCS and TRCS 2. Mention of social media and mental health supports. Both schools will have a great resource in a former parent who has been appointed to work in COVID tracing.

Flo--meeting with all teachers to go over plan on Monday, August 3. Teachers have agreed to attend voluntary meetings 1x/week to help support teaching in these new environments.

Everett--working on setting up classrooms with technology to be able to broadcast lessons, whether remote or hybrid.

2. Chairperson's Welcome - 2 mins

3. Roll Call - 1 min
   a. Board Members Present: Monte Joffee, John Harrison York, Liz Perez, Chester Hicks, Rachel Mandel, Victor Motta
   b. Board Members Absent: Conor McCoy
   c. Others Present: Stacey Gauthier, Daniel Fanelli, Everett Boyd, Matthew Delforte, Raymond Johnson, Flo Evans, Jessica Kim

4. Approval of August Meeting Minutes - Approved by Acclamation

5. MOA between Ren and Ren 2 - Matthew Delforte gave background of the Memorandum of Agreement. Memorializes relationship between two schools - Approved by Acclamation (Renaissance Charter 1 to be voting later tonight).

6. Student Discipline Policy (vote) - Matthew Delforte reviewed. The policy outlines expectations the school has for its students and due process that we are required by law to provide to students. Essentially similar to the policy at Renaissance with some differences (major difference is in due process appeal to the Executive Leadership Team prior to Board of Trustees review). The goal is to remove the Executive Leadership team once the school is larger and has its own student support staff. Mention of Gun-Free Schools Act (federal law), which has been incorporated into our policy. Approved by acclamation.
7. Funding Report to the Board - Everett Boyd
   a. As a first-year school we are entitled to Federal funds to improve academic achievement for the disadvantaged. (Title I, Part A – Improving Academic Achievement for the Disadvantaged) $46,355 total funding will be used to offset the salaries of 6 teachers in grades K and 1, at $7,726 per position.
   b. Title IIA funding is to develop staff. (Title II, Part A – Teacher and Principal Recruitment and Training) $8,612 will be used to offset the salary of The Director of Teaching and Learning.
   c. CARES ACT ESSER funding allocated to The Renaissance Charter School 2 - $44,329 total funding will be used to acquire educational technology as a result of the impact of COVID 19: Auto Tracking Cameras, Media Carts for Camera/Technology, Austin Allergy Machines, Laptops for administrators and teaching staff, document cameras, and supporting technology.
   d. The application was due on 8/31 and was successfully submitted. Held a stakeholder meeting on 8/26, as required for the application, and stakeholders approved of the application details.

8. Reopening updates - Flo Evans and Jessica Kim. Flo and Jessica have been calling parents to check in.
   a. Flo: Today there was a town hall meeting with 69 families in attendance to address the DOE’s revised policy. Still opening September 8. Buses are not available at this time; hopefully will be available by September 21. Parents have the option to bring their children or remotely. Devices will be distributed tomorrow and at TRCS1 next week. Teachers have held Zoom meetings with parents and will hold a parent workshop this Friday (will be recorded and will be accessible online). Professional development leaders have let Flo know that they are impressed with the quality and commitment of our teachers.
   b. Enrollment updates (Jessica): K 90 students; 1st grade 42 students
   c. Everett and Stacey - there are a number of considerations that parents have had to make in terms of their decision where to send their children. Ren1 staff were calling people on the waitlist suggesting applying to Ren2. Kudos to the team for their outreach. We are fully staffed now. Hired a COVID-19 health coordinator who is trained in CPR and AED operation and has experience with working in a hospital as a phlebotomist during the pandemic. DOH inspection tomorrow. Sharing nurse with Martin Luther. There will be a socially distanced get-together with Ren2 and Martin Luther staff.
   d. Facilities update (Stacey): Dan and Stacey to be meeting with Barone and team to provide data from Renaissance re: loan. There will be some sort of ribbon-cutting/ground-breaking ceremony when the time comes.
   e. Stacey: Plans to meet with Community Board 5 and elected officials of Maspeth. Thanks to Walter Sanchez on board of C3S who has helped to develop community goodwill.

9. New Business

10. Public Speaking--Leopolda Silvera (1st grade student Valentina). Was a parent who came over from Ren1 waitlist. Very excited about starting next week! Stacey: we know how hard this has been for our parents, and we really appreciate and recognize that--hopefully we will find more normalcy in the not-too-distant future. We intend to push for the same resources that are going to district schools to come to our charter schools. Discussion of difference between DOE/Ren1/Ren2 plans for reopening.

3. Roll Call - 1 min
   a. Members present: Monte Joffee, Liz Perez, Chester Hicks, Victor Motta
   b. Non-members present: Stacey Gauthier, Daniel Fanelli, Rebekah Oakes
4. Approval of September Meeting Minutes - 5 mins  Motion passed by acclamation.
5. Approving the Final District Safety Plan - 15 mins
   a. Covers all emergencies from drills to shelter-in-place, evacuation, procedures for communications within the community and externally. Safety committee is Everett, Stacey, Monte, the head custodian at Martin Luther, Director of Development, and a parent representative.
   b. Preliminary plan was presented at parent meetings with a 30-day public review period, July 6-August 4, and approved as part of the opening plan at the August meeting.
   c. Two plans: school-level plan and district-level plan. We are voting on the district-level plan. We don’t necessarily need to share building plan details online (which could be a privacy/safety issue), and the district plan is the overview.
   d. Question about whether this is a new requirement--we have been given more guidance about the level of detail required. They have differentiated that on the state level they specifically said the building plan is confidential.
   e. Motion passed by acclamation
6. School Opening Report - 10 mins
   a. Everett shared a slideshow with photographs of the opening day, including a new banner.
   b. Busing is available as of three weeks ago.
   c. Everett shared photos of classrooms, including brand new technology (SmartBoards, Document cameras, etc.)
   d. Examples of hybrid learning and social distancing
   e. Comment about how the new renovations look in an older building. Space in great shape with not a lot to do--wall treatments, subdivided rooms, a/c, etc. Floors are polished. Kudos to Barone and Martin Luther, who are great partners. Automatic faucets, soap dispensers, all classrooms have sanitizer dispensers.
   f. Some students are fully remote, which is a choice their families have made. Next cohort for hybrid will start on November 2.
   g. Enrollment is 140 students; 42 students in person with A/B rotation, and 98 at home.
   h. Discussion of Governor’s executive order (red, orange and yellow zones). Ren1 and Ren 2 are both in yellow zones; there is supposed to be weekly testing, but there has been no information on that. Children and adults are sent home without consent forms. Mention of phone app and contact tracing for COVID.
   i. Teachers really want to be in the building per Everett.

Re: Revised Schedule for Thanksgiving and Winter Break

November 4, 2020

Dear Staff, Students, Parents, and Families,

This past weekend Governor Cuomo announced a revision of the New York COVID-19 Travel Advisory. This revision allows for New York residents to travel to out-of-state to locations that were formerly on the travel advisory, without having to quarantine for 14 days upon re-entry to New York. The new, less restrictive requirement, is contained in the guidelines found in the link provided: https://coronavirus.health.ny.gov/covid-19-travel-advisory.

The School Management Team, in consultation with The Executive Team and The Board of Trustees of TRCS 2, has decided to revise its calendar to accommodate staff and families who have expressed concerns about traveling for family gatherings at Thanksgiving and The Winter Holidays. These revisions will allow for out of state travel among staff, students, and families and for compliance with the new travel advisory guidelines, which go into effect today, November 4th.

Revised Schedule for Thanksgiving Break:

We will be out of school for the Thanksgiving Break from Wednesday, November 25 - Friday, November 27 (as originally scheduled). We will resume classes with remote instruction for all staff and students on Monday, November 30 - Friday, December 4. We will return to a hybrid schedule on Monday, December 7.

Revised Schedule for Winter Holiday Break:

We will be out of school for Winter Holiday Break from Monday, December 21 - Friday, January 1 (as originally scheduled). We will resume classes with remote instruction for all staff and students Monday, January 4 - Friday, January 8. We will return to a hybrid schedule on Monday, January 11.

We hope this provides sufficient notice for everyone to adjust your plans accordingly and allow you the freedom to use your discretion as you celebrate the holidays with family and friends. Please feel free to reach out to me with any questions or concerns you may have, and please stay safe and healthy.

Best regards,

Everett

4. Approval of October Meeting Minutes - 5 mins
   Approved by acclamation.

5. Report on Yellow Zone Testing and COVID Response- 15 mins
   We are now designated as a school in the yellow zone. Explanation of red, orange and
   yellow zones. Renaissance and Ren2 are both in the yellow zone.
   a. Schools in designated yellow zones have mandatory testing of 20% of their school
      population.
   b. We are asking our staff to submit voluntarily to testing via different facilities approved
      by the Department of Health. The guidelines said the city would supply tests, but we
      didn’t get any of those.
   c. There was a positive test result the first week, and we had to follow the guidelines,
      which say if the person had close contact (over 15-20 minutes) in a small setting. This
      person had close contact with two different pods of 16 total students for more than the
      15-20 minutes.
   d. The teacher was immediately quarantined, and we made the decision that night to close
      the entire school for three days, and then every pod was brought back with the
      exception of that particular class, which was on quarantine for 14 days (18 individuals
      total).
   e. A parent meeting was held with Q and A to explain the decision and the protocols.
   f. Kudos to the team who responded well and quickly.
   g. Had to make hard decisions in isolation.
   h. Everett finally heard from a contact tracer from Health and Hospitals. This person was
unaware that someone had tested positive even though Everett had called in the case twice.

i. The system is working imperfectly; very little in the way of response and the Health Department doesn’t seem to have communicated with each other.

j. Martin Luther has a partnership with an approved lab for testing. The lab delivers self-swab tests to the school and they can process them within 48 hours. Testing is free, covered by the state.

k. We have to submit our numbers and results in a daily report.

l. Even though both schools are in yellow zones, infection rates are rising and we could eventually be in orange/red zones. The state is saying we could still stay open, but then testing rates need to be higher (25%). Not necessarily random testing.

6. Revised Holiday Schedule - 10 mins
   a. Everett sent a letter with a holiday proposal to get ahead of potential holiday travel. Martin Luther is taking a two-week remote instruction break for two weeks after the winter holidays.
   b. Proposed: week pause after Thanksgiving and week pause after the winter recess, which will be for two weeks.

7. New Business
   a. Hired a New Special Education teacher, Lisa Liropoulos
   b. Lisa also testing ELL students
   c. Interviewed three practicum students today to do counseling with students
   d. Groundbreaking and construction in process: Working w/Barone on paperwork for construction loan, working on process for rezoning.

**TRCS 2 SMT December Report to BOT**

Enrollment - 139 (97 Kindergarten; 42 First Grade)
Attendance - Average 55 In person (Pods A and B) and 80 remote
Attendance Policy implemented 9/08 (first day of school) since being followed with Grading Policy implemented 9/08 (first day of school) with first marking period report cards distributed in November.

Parent Teacher Conferences were held remotely on 11/19 and 11/20 - with the 93% of our families in
Special Education and ELL - Integrated Collaborative Teaching (ICT) classes have been created for Kindergarten and First Grade, with one licensed special education teacher and one general education teacher in each classroom. Classroom teachers are also licensed and experienced special education teachers. Two highly qualified teaching assistants have been promoted to general education teachers from within the staff. Several special education and general education students have been moved to accommodate the new configuration. Lisa Olmo Liroupolos is the Coordinator of Programs and Services for Special Populations, and will coordinate special education services, support ICT classes, and ELL instruction.

Special Education population = 20 students in Kindergarten and First Grade (14.38% of total student enrollment with 15 students in ICT; 5 related services only)

ELL population = 20 Kindergarten (14.38% of total student enrollment identified by assessment this year - First Grade needs to be determined)

Remote Learning Support (Digital Equity Survey)
The school has supported all families who have requested technology support for remote learning, including 95 devices (Chromebooks and Tablets) and 30 T-Mobile Hotspots with account support for 1 year. This has been generously supported with a combination of CSP grant and Walton Family Foundation grant funding.

6. New Business
   a. Announcement that TRCS2 Parent Association will be starting just before the December break.
   b. Discussion of letter of appreciation to TRCS2 school staff. John Harrison York to draft a letter and circulate to the board members.
   c. When the pandemic comes to an end, digital equity, attendance, assessments (e.g. benchmarking and EasyCBM) and special education/ELL are key indicators that will be looked at.
   d. Some more progress on the school building: Barone’s team sent a video of the foundation being built, which Dan Fanelli shared. Barone is interested in mentoring TRCS HS students who have an interest in construction.

4. Approval of December meeting minutes - 5 minutes
5. School Management Team Report - 30 minutes
   a. Reopening Update (Everett Boyd):
      i. Scheduled to reopen on January 19. Everett sent communication to family, staff, and the Board of Trustees before winter holiday about issues with keeping school open after the Thanksgiving holiday, i.e., positive cases that necessitated closure before the Winter Recess. One classroom had to quarantine for 14 days, and then a second case occurred and the school followed guidelines and closed.
      ii. Reopening depends on metrics and where things stand over the next few weeks. Sent notification to families and staff yesterday about opening being dependent on several factors, including NYC positivity rates and more particularly, positivity rates within the school.
iii. One thing that the school is working on is distributing consent forms to families so that they can consent to be tested. We’ve relied on self-reporting, and families have been very good about that, but we need to move forward with distributing forms starting tomorrow. Question about whether TRCS2 is doing on-site testing. If there is no on-site testing, consent is not needed. One school is paying $50 per test plus a qualified person to administer the test.

iv. Update on DOH - now quarantine is 10-day. Still mandated to report any positive case; DOH won’t necessarily investigate unless the school rate is spiking. Discussion of what is needed to meet 20%. School decided to continue testing voluntarily. School staff members told they could volunteer, lab would release results directly to school but no positive cases have come of that yet. We need to start thinking about how we would adapt that with the students. DOE says that someone qualified must swab. Concern about possible litigiousness over swabbing by school personnel; it should be done by someone who has the certification.

v. Discussion of lawsuit by TRCS1 and six other charters suing DOE and City stating that they are violating health and safety regulations by not providing free testing to charter schools.

vi. Caveat: testing in schools needs an element of randomness so it’s not the same people being tested all of the time.

vii. Charter schools in private space (Ren2) are subject to different procedures than charters in district space (Ren1).

viii. Question about time spent getting tested--can take up to three hours. We haven’t faced this issue yet. Can become burdensome on a school. This is why the 20% should be more than just staff.

b. Mid-Year Financial Report (Daniel Fanelli):

i. Executive Leadership team (Dan and Denise) spent time over the summer creating a number of different budget scenarios based on the number of students. Currently we have 138 (86%). Below 100 would not be good no matter the scenario. SED’s comments were that we wanted to maintain an enrollment above 85%. We are still in good financial standing in terms of tracking the fiscal year projections for that number of students; no major deficits.

ii. The various funding we were able to secure in advance allowed for the purchase of PPD and air purifiers and other unexpected costs that arose out of the COVID-19 pandemic.

iii. Our maximum enrollment being 162, we are still currently under enrolled. We need to focus more on recruitment. Ren1 currently has 2400 applicants and can encourage families who don’t come in through the lottery to apply to Ren2.

iv. On January 11, the Governor is going to begin the process of announcing his budget. There could be significant cuts to school funding.

4. Approval of January Meeting Minutes - 5 mins
   Approved by acclamation
5. SMT Report - 15 mins  Presented by Everett Boyd and Flo Evans
   a. Enrollment update: 141 students.
   b. Recruitment: 122 applications on file as of today: 95 K, 18 1st, 9 2nd. Have held virtual open houses and have scheduled another for this weekend. Lottery is scheduled for April 12.
   c. Testing: how to meet the 20% requirement of the yellow zone. Instituted mandatory policy for staff and students. Random testing, inform them a week in advance, 100% compliance so far. Staff has a choice of self-testing onsite or using an independent provider.
   d. One class is on remote learning this week because of a positive test, will be returning on Monday, 2/8.
   e. Martin Luther is fully remote and has been for the past two weeks.
   f. May be new guidance about pods and closure changes.
   g. Ren1 lawsuit filed re: testing with other charters--believe there may be a favorable outcome.
6. Principal Review Planning - 10 mins
   1. Important function of board is to review the principal
   2. Suggested focus be pandemic response
   3. Stacey: started having conversations months ago about metrics for review. Important to have a school leader be part of the discussion. Dan, Everett, and Stacey have looked at the SED performance framework to see what is applicable. e.g., testing.
   4. First year school has several important inputs
      a. Has the principal set up a leadership team that sets the school up for success?
      b. Fiscal management
      c. Parent happiness
      d. Staff retention
      e. Etc.
   5. Has been a continual partnership going both ways. Feel confident that the school is going in the right direction and is already successful. Ren2 gaining enrollment, a testament to the work we are doing.
   6. Will be submitting something for review to the board.

7. New Business

   Everett: First meeting of Parent Association next Tuesday 2/9. Responses are good so far. Coordinator of Special Populations, Lisa Liropulos is going to attend the meeting as a consultant--she was PA President at Ren1 and will help guide Ren2 through the beginning of the process.

   Stacey: Now is Albany budget season. Important that we make the new elected officials aware of what charter schools are. Working with our advocate to get a meeting with Donovan Richards, Queens Borough President. Received positive feedback about Students First visit to Catalina Cruz, she mentioned positively. Stacey reached out to the Superintendent of District 30, who linked her up to Superintendent of District 24. There will be Zoom elected official meetings with Districts 24 and 30. Governor’s proposal: doesn’t want to reimburse for rentals. We don’t think there will be a risk to our funding, but there are still some concerns. State will be reliant on supplemental federal funds.

   Monte: question about relationship with Lester Young. We think we have a good relationship with the Regents in general. Regent Chin has been a strong supporter.

   Stacey: we will be applying for two more large federal grants via the consortium with whom we are working on the mental health grant. One is a literacy grant; we think we have a compelling plan for staffing and training. Another is an arts grant, which would bring art therapy to schools.

2020-2021 Grant Update

- Direct Appeals
  - No direct public fundraising appeals have begun as yet.

- Pending and successful grant applications:
  - NYSED CSP 2019-2020 expense report and subsequent amendments were approved, and the 2019-2020 final budget report was submitted in August, 2020.
  - Walton Family Foundation Start Up Grant –$325,000 in start-up funding. The budget was submitted is to cover smart boards, a green-house for the roof-top and science lab materials. However, as they are a foundation, they have much less stringent rules surrounding their budgets, and if we determine an amendment is needed it is a much simpler process. All expenses must be complete and the final budget report submitted by July 31, 2022.
  - PENDING: Primary Project – A 3-year $15,000 grant that helps a school develop a school readiness program for K-3rd graders. It provides funding to hire a “child associate” to implement a developmentally appropriate, play-based intervention for children identified as experiencing mild social and school adjustment difficulties. It was originally submitted for 2020, but in discussions with The Children’s Institute we decided to withhold the application for a year. I have let them know we intend to apply again for 2021-22, and am awaiting their response.
  - PENDING: E-Rate Funding – Jessica Kim is working with E-Rate Central to get TRCS 2’s first applications sent, for internet reimbursement and any category 2 resources identified.

In-Kind Grants

NYC Charter School Consortium Mental Health Grants – Four five-year federal grants have been bundled together for our charter consortium to provide mental health and substance abuse counseling services to our students, and school culture transformation services to aid in in-school violence prevention and healthy and happy students. Wildcat, New Dawn and Renaissance (2 schools each) make up the consortium, and Wildcat is the lead on 3 of the grants—making them in-kind donations for Renaissance.

- Mental Health Demonstration Grant is providing 2 Mental Health Therapists a MH grad school intern and 2 practicum students for direct service to students. TRCS 2 is using the practicum students this semester, and TRCS has the use of both MH counselors and the intern for the time being. Next year we will get 2 interns, and will be working together for the best use of the therapists’ time.

“Developing Leaders for the Renaissance of New York”
The counselors, including our social worker, have been presenting parent workshops throughout this year, and have developed a Mental Health resource website, to which TRCS 2 families have been invited.

- School Climate Transformation Grant supports one of the MH Therapists as a Substance Abuse Counselor in addition to his MH counseling. It also provides the services of Kickboard, a school culture transformation service, that provides coaching and PD for whole-school adoption of elements of PBIS, Restorative Justice, Trauma-Informed and Anti-Bias/Anti-Racism, that will become the foundational supports of our school culture. A steering team is in place and in workshops with Kickboard, developing that approach, with the help of our CSG team.
- STOP-Threat Assessment and Training grants – are working as a training vehicles for school building emergency response teams, and to provide staff training in school-violence prevention and youth mental health first aid. It also gives a stipend for a PBIS coach to each of the consortium schools.

Friends of Renaissance
The focus of the Friends of Renaissance board since last spring has been to support TRCS 2, by revising the incorporation papers to include the 2nd and all future Renaissance Charter Schools in our support. We have engaged with our insurers to make sure we are covered by D & O insurance and will be supporting TRCS 2 in the lease structure, known to you from other reports. In order to be prepared to perform this increased fiscal responsibility we have:

Fundraising for TRCS 2 through Friends Of events and campaigns will be an additional focus going forward. Expanding the FOR board will become another priority this year, again, as we develop our marketing materials.

Other
Renaissance’s political advocacy efforts continue to be the most successful way of bringing money to the school. We will continue to work with the NYC Charter Center and Coalition for Independent Charter Schools (C3S) in the continuing fight to get our funding formula restored. C3S schools agreed to hire Patrick Jenkins & Associates to more directly advocate for the special needs of independent charters, as well as our continuing work for conversion charter school relief.

In addition, Jessica, Everett and I have begun discussions about approaching our city council representatives to be ready to submit an application for next year’s discretionary funding.

Respectfully submitted,

Rebekah Oakes, Chief Development Officer

“Developing Leaders for the Renaissance of New York”
CONTINUATION OF OPERATIONS
The Renaissance Charter School 2 has developed a continuation of operations plan in the event of a public health emergency involving communicable disease.

ESSENTIAL POSITIONS AND TITLES
In the event of a public health emergency that results in the governor-ordered, temporary closure of NYC Schools, all non-essential personnel of The Renaissance Charter School 2 (TRCS 2) shall work remotely. This includes all members of the School Management Team, teaching staff, and office staff.

Essential personnel are defined as personnel who are required to be physically on-site in order to perform their jobs. This includes our kitchen and custodial staff. The custodial staff are not TRCS 2 employees and will follow the guidelines of the NYS Department of Health.

TRCS 2 will continue to take into consideration the guidance from the NYS Education Department, NYS Department of Health, NYC Department of Education, and the NYC Department of Health as to access to our physical building. For example, if TRCS 2 is located within a geographic zone that has allowed access to public schools, and/or in-person learning with social distancing and PPE protection, the TRCS 2 Board of Trustees and School Management Team will abide by our posted Re-Opening Plan Metrics, and will determine which staff members will be allowed access and which staff members will be working remotely.

TELECOMMUTING PROTOCOLS
TRCS 2 will support non-essential employees’ tele-commuting by facilitating or requesting the procurement, distribution, downloading and installation of any needed devices or technology, including software, data, office laptops or desk-top computers, to all employees working from home.

An attempt will be made, when employees are allowed back to work, to stagger work shifts, to the extent practicable for the successful running of our school, in order to reduce overcrowding on public transportation, and to ensure proper social-distancing in the school building.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
As soon as the public health emergency is announced, TRCS 2 will inventory any stored PPE, and procure enough PPE for essential employees, and consultants when necessary, based upon tasks and needs, sufficient to provide at least two pieces of each type of PPE to each essential employee during any given work shift over at least six months.

PPE will be stored in the main office and other designated areas at TRCS 2 when it is deemed safe by NYS DOH and NYC DOH to discontinue the daily use of the equipment. Personnel named below will be apprised of the location of the stored equipment:

PPE will be made accessible to all essential and non-essential personnel that are authorized to work from the building, and TRCS 2 will follow the guidance of the CDC and the NYC and NYS DOH regarding what PPE to issue to in-building employees, and training will be given to all employees on how it should be used.

**PREVENTING THE SPREAD OF DISEASE**

TRCS 2 has developed protocols in the event an employee, contractor or student is exposed to a known case of the disease, exhibits symptoms of the disease, or tests positive for the disease to prevent the spread or contraction in the workplace. The protocols are in line with all existing federal, state, or local law, regarding sick leave or health information privacy, as outlined in our TRCS Employee Policy Handbook.

The guidance from state and local Department of Health are constantly updated in response to a pandemic. Our authorizing agencies include Department of Health links and resources on their websites. TRCS 2 will update our protocols and plans when relevant and applicable, referencing guidance from

- NYSED, by referring to the NYSED Health and Safety links at [http://www.nysed.gov/re-opening-schools/health-and-safety](http://www.nysed.gov/re-opening-schools/health-and-safety);
The Renaissance Charter School 2 Safety Plan  

PANDEMIC PLANNING ADDENDUM  

2020-2021

TRCS 2 emphasizes four key safety measures for students and staff:
- Maintaining a distance of at least 6 feet from other adults, and from students when feasible;
- Washing and sanitizing hands regularly;
- Wearing a face covering; and
- Staying home when sick or after being in close contact with a person with a serious illness, or exposure to the illness creating the current pandemic.

Physical distancing guidelines and mandatory use of face coverings will be enforced for all individuals while on school property. A face covering is any well-secured cloth or disposable mask that covers a person’s nose and mouth. A face covering with an exhalation valve or vent cannot be used on school property as exhalation valves allow unfiltered exhaled air to escape to others. Face shields are not appropriate substitutes for face coverings.

In addition, we will follow all guidelines regarding testing for disease in and outside of school, and contact tracing and reporting of active cases, as outlined by the NYC Department of Health. TRCS 2 will agree to
- Student and Staff Daily Health Screenings before entering the building;
- Random testing for infectious disease as mandated by NYC DOH and NYC DOE;
- Contact tracing and current quarantine guidelines in coordination with the NYC DOH, as outlined in the [PK-12 COVID-19 Toolkit](https://www1.nyc.gov/site/doh/covid/covid-19-businesses-and-facilities.page), or other updated document; and
- Managing student drop-off and pick-up outside the school building to minimize external visitors. We may mandate that no non-essential personnel enter the building, according to guidance from the NYC DOE and NYC DOH.

**Instituting Hybrid Learning to Facilitate Social Distancing:**
TRCS 2’s Board of Trustees will determine the safety and efficacy of opening the school building in relation to the metrics stated in the “TRCS 2 Reopening Plan” developed during the COVID-19 pandemic. Remote synchronous and asynchronous learning, will be available to all students, following the NYS executive orders regarding education during a pandemic. When and if hybrid learning (remote and in-person learning) is deemed safe, we will follow these and other protocols as they are developed by the NYC DOE, NYSED, and the state and local health departments.

At TRCS 2, to facilitate social distancing, no more than 10 students can be taught in a classroom at any given time. To minimize contacts, students will be separated into 'Pods', with each Pod
remaining together all day. Students in each grade pod will attend on an alternating 5 day schedule. With 6 classrooms available to support on-site learning, the number of students who can be provided in-person learning is 60 students. In the event that TRCS 2’s classroom availability is insufficient to accommodate all of the students who request in-person instruction and/or TRCS 2 does not have a sufficient number of in-school instructional staff, the number of students who can participate in in-person learning will be reduced.

TRCS 2, in coordination with the Martin Luther School, will implement enhanced cleaning and disinfection of surfaces to ensure the health and safety of staff and students, including:

- Providing adequate cleaning and disinfection supplies or plan to procure those supplies.
- Requiring deep cleanings to be completed on a nightly basis, including with the use of electrostatic sprayers.
- Improving HVAC and air filtration systems.
- Keeping windows and interior doors open to ensure proper ventilation.
- Setting-up enhanced cleaning in classrooms, bathrooms, and for high touch areas such as doorknobs and shared equipment such as laptops.
- Providing teachers with cleaning supplies for classrooms.

TRCS 2 will redesign building movement protocols to keep people in cohorts and allow for physical distancing consistently. TRCS 2 will, to the extent feasible:

- Redesign movement protocols within a building to minimize congestion;
- Designate one-way direction stairwells and single file routes

Signage may be provided to support appropriate movement protocols.

Using Staff to Maintain a Healthy Environment

With health and safety as a priority, it will be important to have staff dedicated to carry out enhanced health operations. TRCS 2 will use the Building Response Team structure to develop a school-based pandemic-related team; and will deploy adequate staff to support daily enhanced health protocols.

In the Event of a Known Case:

If a student or teacher is feeling sick, they are required to stay home and, if their symptoms are consistent with the pandemic-related illness, are asked to get tested. If a student begins experiencing symptoms in school, they will be isolated and monitored by a dedicated staff member until they are picked up by their family. Staff members who become symptomatic at school are asked to immediately leave the building.

Whether symptoms begin at home or in school, there will be a clear flow of information to facilitate fast action and prevent spread. A positive confirmed case will trigger an investigation by NYC Test + Trace and DOHMH to determine close contacts within the school. Schools will communicate to all families and students at school once a case is laboratory confirmed.
• Custodial staff will immediately and thoroughly disinfect the work area, common area
  surface and shared equipment; and
• The NYC DOH will be immediately notified.
• All personnel and families of students who were in direct contact with the infected per-
  son will be immediately contacted, under the guidance of the NYC DOH, or other agency
  department activated as the official Contact Tracing department.

In the event that there is a laboratory-confirmed case in a school, all students and teachers
in that class are assumed close contacts and will be instructed to self-quarantine for the amount
of time designated at the time, by the NYS and NYC DOH.

Additionally, the DOHMH and Test + Trace Corps will begin an investigation into the risk of expo-
sure to the school community and work with TRCS 2 to issue clear guidance and decisions for
next steps based on the outcome.

TRCS 2 will document precise hours and work locations, including off-site visits, for essential
employees and contractors. The dedicated health-aide will proceed with the investigation, with
the support and aid of the Principal and Building Response Team.

TRCS 2 will follow NYS Executive orders, and/or relevant and applicable guidelines pertaining to
available leave for mandatory testing, treatment, isolation and quarantine.

4. Approval of March Meeting Minutes - 5 mins Approved
5. Approval of 990 Filing for 2020 Revenue- 5 mins **Tabled until next meeting**
6. Update on TRCS 2 Construction for SY 2021-22 and 2022-23 - 10 mins
   a. Martin Luther - Site visit by Scott Barone and team a few weeks ago. Looked at library on second floor. Plan is to take the second floor, per the lease, and the library wing and convert the entire area into two classrooms and office space. Dan is talking to Barone and team about what that construction will look like. Construction will start at the end of the school year (after June 25) and will take 2-3 weeks. We are looking at how to outfit those classrooms with technology, etc. moving forward.
   b. Photos from main site shared by Dan Fanelli. Barone is confident that they will create the entire “envelope” for the building over the next couple of months. After around three months, they will start the process of building out the classrooms. May have a “topping off” ceremony once the building is whole.
a. Everett: Next Parent Association meeting coming up tomorrow night (4/8).
b. Picture day will be in May for both hybrid and remote students - will be out in the open
c. Discussion of holiday breaks and erring on the side of caution
d. Following NYC Department of Health Guidelines to stay safe, recommend that people get tested and vaccinated. There have been changes in CDC recommendations that have not been adopted by the city and DOE (e.g.: no change in social distance guidelines yet)
e. Flo: Significant growth in reading levels. 80% growth in six classrooms. Majority of remote-only children have improved in reading and math
f. Have begun hiring for the new school year, two new hires made. Hiring committee consists of SMT, teachers, special education lead, and parents. Two more demos next week and several phone interviews this week. Actively trying to diversify staff.
g. Getting ready to administer NYSESLAT tests to ELL students, teachers are being trained.
h. Jessica: Last month 120 K applications, now have 165; virtual lottery on Monday at 4:30. Selected families can accept or decline on School Mint, we will also make calls.
i. We have hired a VISTA intern who will be a data specialist for both schools. The bulk of her work will be with Ren1. Will be setting up meeting with Ren2 team. She starts Monday.

8. SED Memo on Reporting Local Assessments - 5 mins.
   a. Everett shared a draft memo by David Frank that is open for public comment re: alternative assessments (e.g., NWEA, ANet, etc.) He will be presenting this at the PA meeting tomorrow night and invite parents to make comments.

9. Board Members’ New Business - none
10. Public Speaking - none
11. Adjournment of Public Session 5:51 p.m.
To: Board Chairs of Board of Regents-authorized Charter Schools
    School Leaders of Board of Regents-authorized Charter Schools

From: David M. Frank

Date: April 01, 2021

Subject: Reporting Local Assessment Outcomes to the New York State Education Department’s Charter School Office (NYSED CSO)

To help charter schools demonstrate academic progress and growth, the NYSED CSO is implementing a local assessment plan to collect authorizer-approved local/interim assessment data from Board of Regents-authorized schools. All Board of Regents-authorized charter schools have a local assessment plan as part of its charter. Schools should refer to the local assessment plan in its charter, ensure the plan is being implemented with fidelity, or in consultation with the school’s NYSED CSO liaison, seek a charter revision to amend/revise the plan by following the procedures set forth in NYSED Charter School Revision Guidelines.

Local assessment administration and outcomes are considered in the following NYSED Charter School Performance Framework benchmarks:

- **Benchmark 1**: “NYSED may consider other assessment data submitted by the school as supplementary evidence for a school’s performance.”
- **Benchmark 2**: Assessment and Program Evaluation:
  - The school uses a system of formative, diagnostic, and summative assessments.
  - The school uses qualitative and quantitative data to inform instruction and improve student outcomes.
  - The school uses qualitative and quantitative data to evaluate the quality and effectiveness of the academic program and modifies the program accordingly for both individual students as well as subgroups.
  - The school uses multiple measures to assess student progress toward State learning standards.
- **Benchmark 10**: “The school has complied with…its charter.”

Starting in the current, 2020-2021 academic year, Board of Regents-authorized charter schools shall administer the local assessment(s) in the school’s charter and report local assessment outcomes as follows:

- **Subjects for Administration**: At least English Language Arts (ELA) and math
- **Grade Levels**: At least Grades 3-12
- **Uses**: The outcomes of such assessments should be used by the school to help inform academic intervention services and school-level improvement/turnaround initiatives and decision making.
These assessments may supplement but not supplant the use of any State assessments in authorizing decision making.

• **Schedule:** The school should administer such assessments pursuant to the assessment schedule set forth in the school’s charter, but not less than once in the spring of 2021 (during the current academic year) and at least twice per academic year thereafter, once in the fall prior to November 1st and once in the spring prior to May 1st.

• **Reporting of results:** The school will report the school-level aggregate results of such interim and/or summative assessments to the NYSED CSO through the CSO Portal as described below, no later than one month after administration. Results shall be reported for all students and disaggregated by grade and subgroup (students with disabilities, English language learners, and economically disadvantaged students).

The link to the NYSED CSO Portal for reporting local assessment data is: [https://nysed-cso.smapply.io/prog/school_assessment_data](https://nysed-cso.smapply.io/prog/school_assessment_data). The portal will open later in the 2020-2021 academic year and further instructions on accessing the portal, as well as a notification when it opens, will be emailed to your school.

This memo does not mandate schools to administer the same local/interim assessment throughout the charter term. However, any change in a school’s local assessment plan as set forth in the school’s charter would constitute a revision, the process for which must be followed as indicated above.

Thank you for your collaboration on this important initiative to show the work and academic progress of students enrolled in Board of Regents-authorized charter schools.

3. Roll Call - 1 min.
   a. Members Present - Monte Joffée, Liz Perez, Victor Motta, John Harrison York, Chester Hicks
   b. Members Absent - Rachel Mandel, Conor McCoy
   c. Non-Members Present - Everett Boyd, Stacey Gauthier, Flo Evans, Jessica Kim, Daniel Fanelli, Nina Thurau, Leopolda Silvera

4. Approval of April Meeting Minutes - 5 mins. Approved.

5. Approval of 990 Filing for 2020 Revenue - 5 mins.
   a. Raised at the last board meeting, were only able to review part of it.
   b. Approved by Acclamation (5 for, 0 against, 0 abstentions)

   a. Updates from Everett:
      i. Rethinking organization for next year, based on events of this year. Lisa Liropolous,

Developing Leaders for the Renaissance of New York
Coordinator for Special Populations—we would like to change her position to Director of Special Populations for next year. She would become a member of the School Management Team. Flo Evans’ title would change to Assistant Principal for next year. These would be finalized at the June or July board meeting.

ii. Received funding for American Rescue Plan Act, Elementary and Secondary School Emergency Relief (ESSER) Fund, Coronavirus Response and Relief Supplemental Appropriations (CRRS. Total of a little more than $400,000. 20% of that (roughly $58K) to be appropriated toward learning loss--e.g., after school, extra support. This is still just a line on a budget statement, and we don’t have the funds yet. We have an application process and accountability parameters to meet. Need to meet to discuss the application and the breadth of each category (what it can be spent on). We don’t have guidance on this yet, but it is supposed to be coming soon. The learning loss funds are a one-time amount from the federal government.

b. Flo Evans:
   i. Agreement letters for current staff--meeting with them and reflecting on the year and our experiences. We believe we will have 100% staff retention. Hiring four new teachers: 1 gen ed., 2 special ed. 1 ELL.
   ii. Have reviewed standards and are on track to hit every standard for K and 1 by end of year.
   iii. Behavior initiative: Warm Fuzzy Jar for great choices. One class won this month and had a class pizza party. Next month: Ice Cream!
   iv. PA has organized an in-person picture day with both pods and remote students. Also working on teacher appreciation event.

c. Jessica Kim:
   i. 103 seats available for next school year. First and second grade are fully enrolled. We still need to fill three K seats; families have 1 week to respond.
   ii. Using School Mint for registration and applications. Registration started this morning at 9:00. 38 families have already started registering.
   iii. People are still able to apply and be added to our waiting list. K - around 40 on the waitlist. 1st - 27. 2nd - around 15.

7. Introduction of New Board of Trustee Applicant - 15 mins.
   a. Leopolda shared her goals as a potential board member, especially regarding parent communication. Discussed grant experience and her and her child’s happiness at our school.
   b. Leopolda helped with vaccination of staff members and has been a great supporter of the school.

8. Principal Review - 10 minutes
   a. Two-step process:
      i. Principal working with Stacey in partnership that is crucial to development of this school. Executive Director and Principal working on a narrative focusing on multiple facets of the school.
      ii. An Education Committee of the Board of Trustees is to look through the narrative and create a
response.

iii. Suggestion that Stacey and Everett start working in July and August, and the Board should review it at the September meeting.

iv. Stacey: since before the school opened, they have been meeting to discuss goals in a reflective model; already have a lot of the pieces in place. Will have something for review in September.

   a. Approved by acclamation

5. Approval of 2021-2022 Board Calendar – 5 mins
   a. July 12th July meeting, and August meeting moved to the 25th. Both summer meetings will be at 11 a.m.
   b. First meeting in September moved to the 8th
   c. Proposed Board Meeting Calendar for 2021-2022

Developing Leaders for the Renaissance of New York
6. Federal Funds - 10 mins
   a. Directed by authorizer to make sure that board is aware that Federal Government has made allocations to public charter schools.
      i. ARP
      ii. CARES Act
      iii. Total of approximately $440,000 to last up to three years
      iv. Allocations come with documentation and audit (likely not for Ren2 because there is a $750K threshold)
      v. Ties into reopening plan
      vi. Combined summer program for Ren1 and Ren2
      vii. Will need a finance meeting
      viii. Discussion of tech needs such as Chromebooks and SmartBoards to address learning loss
      ix. Chester Hicks, Liz Perez, and John York volunteered for Finance Committee

7. School Management Team Report - 10 mins.
   a. Enrollment update: have filled 110 seats
   b. Offer letters have gone out for SMT positions, all members fully on board
      i. Flo Evans, Assistant Principal; Jessica Kim, Director of Operations; Lisa Olmo-Liropoulos, Director of Special Populations
   c. Summer School--rising first and second grade students who need extra support
   d. Staffing still incomplete. We have a social worker who has accepted an offer. An ELL teacher has accepted a position as well. We have also hired a second grade teacher. More to come.
   e. Preliminary discussions about after school program for next year
   f. Parent Association meeting tomorrow; held elections over the past month. Two newly elected co-presidents. Now planning end-of-year events (Field Day, Teacher Appreciation Luncheon). Elected board representative.

Dear NYSED CSO Staff:

On June 2, 2020 the Renaissance Charter School 2 Board of Trustees voted, in accordance with the Open Meetings Law, to select Leopolda Silvera as a member to its Board of Trustees, pending approval by the New York State Education Department ("NYSED"). The following required documents are enclosed for your review:

1. Board resolution, using this specific language:
   
   Motion: The Renaissance Charter School 2 Board of Trustees, having conducted a thorough criminal history record check via fingerprinting which is deemed acceptable by NYSED, and having discovered no State or federal criminal history, or having provided information regarding such history to NYSED, if found, and having verified that any academic and/or professional credential or qualification presented by the proposed member is genuine, and having reviewed the application in its entirety, has voted to select Leopolda Silvera as a member to its Board of Trustees, with a term expiring on 7/24 (or for a 3 year term from the date of approval) pending approval by NYSED. The resolution approving Leopolda Silvera is adopted upon NYSED’s approval.

2. Background Information Sheet for Proposed Board of Trustees Member (For Existing Charter Schools), including a signed Statement of Assurance (e-signature is not acceptable).

4. Résumé or curriculum vitae.

5. A copy of the proposed member’s diploma and official transcript from his/her highest level of education (e.g. high school). If such documents cannot be provided, then a notarized letter signed by the proposed member setting forth the highest level of education obtained and the reason why these documents cannot be provided, including a description of the good faith efforts made to obtain them, is enclosed.

The Renaissance Charter School 2

WHEREAS the Board of The Renaissance Charter School 2 has duly held a board meeting on June 2, 2021 consistent with its bylaws, and

WHEREAS a quorum of The Renaissance Charter School 2 trustees had, and

WHEREAS discussions concerning an addition of additional board members to the Board of Trustees of The Renaissance Charter School 2.

WHEREAS a motion to add Leopolda Silvera as a member(s) to the Board of Trustees was made, and

WHEREAS the above referenced motion was seconded, and thereafter a vote to accept or reject said motion was taken by the Board of The Renaissance Charter School 2, and

WHEREAS the above referenced motion was duly accepted and passed by The Renaissance Charter School 2 board,

NOW, therefore, the The Renaissance Charter School 2 Board of Trustees, having conducted a thorough criminal history record check via fingerprinting which is deemed acceptable by NYSED, and having discovered no State or federal criminal history, or having provided information regarding such history to NYSED, if found, and having verified that any academic and/or professional credential or qualification presented by the proposed member is genuine, has voted to select Leopolda Silvera as a member to its Board of Trustees, with a term expiring 3 years from the date of NYSED approval, pending approval by NYSED. The resolution approving the proposed candidate is adopted upon NYSED’s approval.

Developing Leaders for the Renaissance of New York
I, Monte Joffee, as Chairperson of the Board of Trustees of The Renaissance Charter School 2, organized and existing under the laws of New York, hereby certify that the above is a true copy of a resolution adopted by the Board of Trustees of The Renaissance Charter School 2 at a meeting convened and held June 2, 2021 at which a quorum was present and voting throughout and that such resolution is adopted upon NYSED’s approval and is in accordance with the provisions of the charter and by-laws of The Renaissance Charter School 2.

Monte Joffee, Chairperson,
The Renaissance Charter School 2.

October 6, 2021

Dear Sirs:

The Martin Luther School, as a non-public, religious school operating within the City of New York is not required to submit a Fire Safety Report. The New York City Fire Department conducts yearly inspections of our fire extinguishers, ventilation hoods, air conditioning units, central alarm units, egress, and other systems related to fire safety. Any violations are written up by the FDNY and then corrected by the Martin Luther School. The NYFD has never provided us with a written report as outlined within the NYS Fire Safety Report. The various certificates issued by the NYFD are on file at The Martin Luther School, a scan of the latest certificates from the ongoing series of inspections is attached.

Yours truly,
